The UNC System has selected Student Blue to provide you with quality health insurance coverage from Blue Cross and Blue Shield of North Carolina (Blue Cross NC). With Student Blue, you have low out-of-pocket costs and worldwide coverage.¹

All eligible students enrolled in the UNC System Colleges and Universities are required to have health insurance coverage. The UNC System endorses a cost-effective Student Health Insurance Plan (SHIP) that covers additional health care expenses not included in the Student Health Fee. This plan is administered by Blue Cross NC. Each semester the Student Health Insurance Premium is added to all eligible students’ University accounts. Eligible students must pay the premium and enroll, or complete the online waiver process with their own creditable insurance coverage before the deadline each semester. Once the waiver is verified and approved, the premium will be credited to the student’s account.
